

BUTLER ASSEMBLY INSTRUCTIONS

PLEASE SEE REVERSE SIDE FOR IMPORTANT INFORMATION

Note: On Gold Wings You May Need To Slide The Motorcycle Clutch Lever Assembly Bracket forward slightly on handlebar to accommodate the choke lever.
 Note: The driver unit can also be mounted on the right handlebar by reversing the above mounting method.

DRIVER MOUNT

Existing Motorcycle Clutch Lever Assembly Bracket

Left Handlebar

Remove existing bolts.

Spacer

6 mm mounting bolts for foreign bikes (1/4"-20x2") OR (1/4"-20x2-1/4") for Harleys, depending on your type of bracket. Harley bolts are taped together "Harley Mounting Bolts".

5mm Allen Wrench

1/4"-20 x 2-1/4" Socket Head Bolt

Mug Ring attaches here

3/16 Allen Wrench

4mm Allen Wrench

1/4"-20 x 1-1/4" Flat Head Screws

PASSENGER MOUNT

Note: Passenger units can only be used on motorcycles with accessory armrests.

Use these two holes if mounting on the left side.

Arm Rest Bracket

Use these two holes if mounting on the right side.

1/4"-20 x 1" Hex Head Bolt

Remove existing armrest bolt and replace with new one supplied.

- Attach ring as shown.
- Set all angles so that the ring position is level; turn ring position so that the slot in the ring is aimed toward the rear of the motorcycle and tighten all joints securely.

MAKE SURE RING KNOB REMAINS TIGHT AT ALL TIMES WHILE RIDING

RING ATTACHMENT

RING SHOULD BE POINTED TOWARD THE REAR OF THE MOTORCYCLE WHEN IN USE ON EITHER THE HANDLEBAR OR THE ARMREST

1/4"-20 x 1-1/2" Hex Head Bolt

Knob

Warranty

Glass Act warrants this product to be free from manufacturing defects in materials and workmanship for one year from the date of purchase. Glass Act reserves the right to determine whether any warranted component is defective. This warranty does not apply to normal wear or to damage resulting from accident, abnormal use, misuse, abuse or neglect.

This warranty does not cover the loss of any component, including the mug. Any product determined to be defective by Glass Act will be replaced at no charge.

Glass Act, all participating suppliers, manufacturers, dealers, distributors, individuals, and any other party involved with the design, manufacture, advertisement, distribution, or sales of the Butler will not be held responsible for any claim arising from its misuse, improper installation, or failure to safely control the vehicle to which it is attached.
